RAS DIPLOMA

The RAS Diploma is for the student wishing to achieve a higher level of artistic expression.

The Diploma is achieved by submitting works in four tasks:

- Drawing (folio)**
- Still Life (3 works)**
- Landscape (3 works)**
- Portraiture (3 works)**
-

Credits for each task are gained over at least 3 years until the final assessment where the student, if successful, can be awarded the RAS Diploma Certificate.

This enables the successful student to be automatically awarded “Exhibiting Member” status and to use the letters “Dip. RAS”.

Assessments will be judged by the Royal Art Society teachers in March and November each year.

Each work should be professionally framed and drawings in a quality folio.

Enrolments can be made when enrolling at the start of each term. There is no extra charge for undertaking the Diploma.

.....

The RAS Art School Exhibition is held in November each year. All students are invited to submit works for this exhibition and the works are hung on the gallery walls of the Lavender Bay Gallery. We have a “works in progress” section which display the works of the various classes throughout the year. The Allan Hansen Memorial Art School Award is announced on the night and there are numerous other prizes. It ‘s a great night for the students, their family and friends and the teachers. The art school is open for inspection.
